

What data do we collect?

Creative Computing Solutions collects the following data:

- Personal identification information (Name, email address, phone number, etc.)
- Business information (job title, company, etc.)

How do we collect your data?

You directly provide Creative Computing Solutions with most of the data we collect. We collect data and process data when you:

- Voluntarily complete a customer survey or provide feedback via email.
- Subscribe to our newsletter.
- Use or view our website via your browser's cookies.

Creative Computing Solutions may also receive your data indirectly from the following sources:

- Google Analytics
- Social Media Platform Analytics (such as Facebook, Twitter, LinkedIn, etc.)
- Contact Database Platforms (such as MailChimp or Constant Contact)

How will we use your data?

Creative Computing Solutions collects your data so that we can:

- Provide you with the best possible service.
- Follow up on quote inquiries and order requests.
- Email you with company and industry-relevant news and information.
- Email you with special offers on other products and services we think you might like.

How do we store your data?

Creative Computing Solutions stores your data on a secure server.

Creative Computing Solutions will keep your personal and business information indefinitely as long as it is relevant to our business purposes or until you request it to be deleted. Once it becomes irrelevant or you request its deletion, we will delete your data by manually removing it from our managed databases.

Marketing

Creative Computing Solutions would like to send you company and industry related news and information, as well as information about products and services of ours that we think you might like. If you have agreed to receive marketing, you may always opt out at a later date.

You have the right at any time to stop Creative Computing Solutions from contacting you for marketing purposes or giving your data to other members of the Creative Computing Solutions Group.

If you no longer wish to be contacted for marketing purposes, please [click here](#).

What are your data protection rights?

Creative Computing Solutions would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

- The right to access – You have the right to request Creative Computing Solutions for copies of your personal data.
- The right to rectification – You have the right to request that Creative Computing Solutions correct any information you believe is inaccurate. You also have the right to request Creative Computing Solutions to complete information you believe is incomplete.
- The right to erasure – You have the right to request that Creative Computing Solutions erase your personal data, under certain conditions.
- The right to restrict processing – You have the right to request that Creative Computing Solutions restrict the processing of your personal data, under certain conditions.
- The right to object to processing – You have the right to object to Creative Computing Solutions processing your personal data, under certain conditions.
- The right to data portability – You have the right to request that Creative Computing Solutions transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email: info@ccsrents.com

What are cookies?

Cookies are text files placed on your computer to collect standard Internet log information and visitor behavior information. When you visit our websites, we may collect information from you automatically through cookies or similar technology.

For further information, visit allaboutcookies.org.

How do we use cookies?

Creative Computing Solutions uses cookies in a range of ways to improve your experience on our website, including:

- Understanding how you came to our website and how you use our website
- Storing login information and user preferences
- Tailoring our marketing and advertising efforts to better suit your needs and desires

What types of cookies do we use?

There are a number of different types of cookies, however, our website uses:

- **Functionality** – Creative Computing Solutions uses these cookies so that we recognize you on our website and remember your previously selected preferences. These could include what language you prefer and location you are in. A mix of first-party and third-party cookies are used.
- **Advertising** – Creative Computing Solutions uses these cookies to collect information about your visit to our website, the content you viewed, the links you followed and information about your browser, device, and your IP address. Creative Computing Solutions sometimes shares some limited aspects of this data with third parties for our own advertising purposes. We may also share online data collected through cookies with our advertising partners. This means that when you visit another website, you may be shown advertising based on your browsing patterns on our website.

How to manage cookies

You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result.

Privacy policies of other websites

The Creative Computing Solutions website contains links to other websites. Our privacy policy applies only to our website, so if you click on a link to another website, you should read their privacy policy.

Changes to our privacy policy

Creative Computing Solutions keeps its privacy policy under regular review and places any updates on this web page. This privacy policy was last updated on February 15, 2020.

How to contact us

If you have any questions about the Creative Computing Solutions privacy policy, the data we hold on you, or you would like to exercise one of your data protection rights, please do not hesitate to contact us.
